## **ATTIRE & FOOTWEAR**

At ClubSport, we strive to create an environment that is upscale and visually pleasing, yet comfortable and safe for all. ## **CHILDREN & JUNIOR**

Our facility appeals to families as well as adults without children. Not all areas of the club are available to children and some areas require parental supervision. In consideration of the safety and comfort to all members we ask parents to counsel their children and teen members on appropriate behavior in the club and to carefully review the policies below that have been set so that everyone can enjoy their time at ClubSport.

### **Children (Ages 11 and Under):**

Children must be enrolled on a membership or pay a guest fee to enter the club and to use any of the club facilities and amenities (child care, pool, gymnasium, racquetball, handball courts, etc.).

Children ages 11 and under must be accompanied and directly supervised by a parent or adult guardian at all times while in the club, except when:

- Registered in Kids World with a parent remaining on premises or
- Enrolled in a club-sponsored and supervised program, such as a camp, clinic, class, special event or attending a birthday party (parents need not remain on premises).

Children ages three and under may accompany an opposite sex parent into the locker rooms. Children ages four and above may only accompany an opposite sex parent in the family locker rooms located outdoors, by the pool.

Children may not enter the Fitness Center at any time, and are allowed in Group Fitness Studios only during designated children's classes. Children may not use the steam room, sauna or indoor whirlpool at any time. Children age 7-11 may only use the outdoor whirlpool with adult supervision.

### **Juniors (Ages 12 to 17):**

Juniors must be enrolled on a membership or pay a guest fee to enter the club and to use any of the club facilities and amenities (fitness center, pool, gymnasium, racquetball, handball courts, etc.).

Juniors, ages 12 to 17 may purchase an Individual Membership at CSP with parental approval. A parent must sign the Membership Agreement and Children & Junior Policies Addendum and assume liability for all dues and fees for the minor child.

Juniors ages 12 to 17 may use CSP without being accompanied or directly supervised by a parent or adult guardian with the following provisions:

- The Children & Junior Policies Addendum is signed by a parent or legal guardian and on file with the club.
- The Junior member must follow all club policies and conduct him or herself appropriately.
- The Junior member must successfully complete ClubSport's TeenFit Certification prior to using the Fitness Center.
- Only individuals ages 13 and above may use the indoor whirlpools, steam rooms and saunas. The outdoor whirlpool is available to individuals age 7 and above.

### **Dependents:**

Children of members may be on a Couple or Family membership through the age of 25, provided they reside at the same address. Upon their 26th birthday, dependent children may "roll over" into an individual membership, without incurring an initiation fee but must do so within 30 days of their 26th birthday.

### **Parent Responsibilities:**

All parents must take responsibility for following the club's policies for children and juniors, and for accompanying or directly supervising children where and when the club requires. Direct supervision means that you are participating side by side with your child in the selected activity or you are watching them from a close distance, and ensuring that your child is performing the activity in a safe, non-disruptive manner.

### **KIDS WORLD CHILDCARE CENTER**

ClubSport is proud to offer a professionally supervised childcare center for use by the children (ages 6 weeks to 6 years in "ClubKid" and ages 6 to 12 in "KidFit") of our members and guests. Kids World offers children a variety of enrichment activities, including arts and crafts, organized games, story times, specialty classes, and more. Here are some guidelines for utilizing our childcare services:

- Infants ages 6 to 12 weeks who are on a membership receive one hour and 15 minutes of complimentary child care per day. This is the maximum length of time infants may stay in Kids World.
- Children ages three months to twelve years who are on a membership receive three complimentary hours of child care services per day.
- After three hours, an overtime fee will apply. The maximum continuous amount of time a child may be in Kids World is four hours.
- Service is available for children that are not on a parent's membership and also for children of a member's guest at an hourly childcare fee.
- Prior to a child's first visit, we ask you to complete a Medical Release Form, which will be kept on file in Kids World for use in the event of an emergency.
- Only parents or authorized adults may check children in and out of Kids World, and escort them between Kids World and other club activities.
- Each child on a membership will have his or her own membership card (makes them feel important!) and will use it to check in to Kids World. Children will only be released to the adult supplying the proper membership card.
- For the health and well being of all children, those who are sick cannot participate in Kids World. If your child becomes sick or shows signs of illness while in Kids World, you will be notified to pick up your child.
- Please ensure that diapered children are dry and clean before bringing them to Kids World. You are welcome to use our diaper changing station or to provide us with extra diapers for your child so we can take care of it. Only disposable diapers are permitted.
- Lunches or snacks may be brought into Kids World, but may only be consumed during designated times and in the designated snack area. Beverages must be in plastic, non-spill containers.
- Please place your diaper bag, backpack or other personal items in a cubby. Children's belongings should be labeled. We recommend that children not bring items of value to the club.
- You must remain on CSP premises while your children are in Kids World.
- Children must follow the direction and instruction of the staff. Behavioral problems, such as biting or fighting, or other incidents that require discipline and compromise the safety of other children may result in suspension of childcare privileges for a defined period. Appropriate action will be determined on a case-by-case basis.
- If a child is upset or uncomfortable for a period of twenty minutes or longer, the staff may request parental assistance.
- Further specifics on our childcare center policies are available in Kids World.

- This is your club and your assistance in identifying destructive behavior is greatly appreciated. Vandalism or mistreatment of club property is costly and will not be tolerated. Violators will be financially responsible.
- The use, exchange or sale of anabolic steroids is strictly prohibited on the premises. Use of steroids to increase strength or growth can cause serious health problems. Steroids can keep teenagers from growing to their full height; they can also cause heart disease, stroke, and damaged liver function. Men and women using steroids may develop fertility problems, personality changes and acne. Men can also experience premature balding and development of breast tissue. These health hazards are in addition to the civil and criminal penalties for unauthorized sale, use, or exchange of anabolic steroids.

### **MEMBERSHIP ACCOUNT POLICIES**

Purchasing a membership at ClubSport grants you the right to use and enjoy our facilities in accordance with the club's policies. Membership does not grant or carry with it any interest in the property or assets of the club, and does not give any right to members to participate in the management of the club,

financially or otherwise. Here is a list of important information regarding your membership account.

- Your monthly dues are set by CSP management, and will typically be adjusted on an annual basis. Your obligation to pay dues is not dependent on the availability of all the club's facilities or your frequency of use. Tournaments, repairs, maintenance of some facilities, and/or other occurrences may make it necessary for CSP to restrict the use of one or more of the facilities or to close the club temporarily. ClubSport will not reduce or suspend dues during times when facilities are not available.
- If any of your personal information (i.e., address, phone number, checking or credit card account) changes during the course of your membership, please report this change to the club. Please stop by Member Services or mail us a note with the new information.
- A membership downgrade must be completed at the club by the 10th of any month to be effective the first of the following month. Your account must be current. A service fee for the status change will be charged.
- Live Healthy. A Member may request to put his/her membership on inactive status, for no less than two and up to six months, should a medical condition or temporary job relocation keep him/her from use of the Club facilities. The request must be submitted in writing along with appropriate verification of his/her medical or business related condition. Approval is at the sole discretion of the Club management. A monthly inactive fee will be charged, and any account balance must be paid in full prior to going on inactive status. A Member may place his/her account inactive only once per calendar year. No access to the Club will be permitted while the account is inactive.
- Membership Resignation. A member with a zero account balance may resign from membership at any time by completing the official membership Cancellation Request Form in person at the Club or by providing written notice of termination via email at [info\\_pls@clubsports.com](mailto:info_pls@clubsports.com). Voluntary terminations become effective 30 days from which the written notice is received by the Club. A pro rata refund for any unused services will be made within ten (10) days of termination.
- CSP reserves the right to suspend or terminate the membership or privileges of any member for failure to comply with club rules and regulations, for any conduct we determine to be improper or contrary to our best interests, or for nonpayment of dues or other charges for a period greater than 30 days. Suspended or terminated members remain liable for all dues or other indebtedness incurred prior to and during the suspension or termination, and are not entitled to a refund of any fees, dues or charges paid.
- CSP accepts the following forms of payment: cash, check, MasterCard®, Visa®, American Express®, and Discover®.

## **EMERGENCY PROCEDURES**

Your safety is our first concern. Please take a moment to review these emergency procedures.

- If you witness an emergency or accident, please advise a staff member immediately. You may also dial "0" on any club phone, which will connect you with our Operator or Front Desk Staff.
- Should a member or guest become injured while at CSP, club staff is not permitted to provide transport. CSP reserves the right to call emergency rescue services.
- In the event of a facility-wide emergency (i.e., fire, bomb threat, earthquake, etc.), we require the cooperation of all members in the club to follow the direction of club staff, and to evacuate the building immediately, if requested to do so.
- All members are encouraged to be CPR certified.
- First aid kits are located at the Front Desk and in Fitness. Facilities are equipped with an AED unit.
